DELPHINIUMS

Plants and seeds of the foremost English and American strains in singles, semi-doubles and doubles in all their varied colors and markings. In lasting qualities, large size and beautiful markings, these new delphiniums are incomparably superior to the old time delphinium or Perennial Larkspur. 200 seeds, 50c. 500 seeds, \$1.00. Blooming plants, each, 25c and up, as to selection here at the gardens.

Evergreens, Shrubs, etc., for early spring planting.

Tulips, Narcissus, Iris, Peony blooms and other garden flower blooms for sale in their season.

We attend divine worship on Sundays, so visit "The Gardens" on week days if possible.
